

NCTA Foundation Silent Auction

The Westin Harbor Resort · August 1, 2023

Thank you to all those who participated in last year's first ever digital NCTA Foundation Silent Auction! The auction was a huge success and had record breaking donations thanks to members like you! We are excited to host the 2023 NCTA Foundation Silent Auction on the same digital auction platform again this year!

During the Silent Auction Tuesday evening, you will be able to place bids, be notified when you are out bid, set auto-bids with the max bid you'd like to go to, and more - right from your phone!

We will have the auction items out to view Tuesday evening, but you can **browse the items now by texting "NCTA23" to 76278** or by visiting NCTA23.givesmart.com.

You will need to get connected to the digital auction in order to place bids on Tuesday night. If you are having any trouble getting connected to the digital auction, please see an NCTA staff member at any time during the conference. Staff will be on site Tuesday evening to help place bids as well. You will be required to add a credit card to join in the bidding, and all winning bids will be charged to the card entered on Wednesday following the close of the event. Anyone wanting to pay their winning bids by cash or check can do so Tuesday evening at the close of the auction.

To get connected to the auction, text "NCTA23" to 76278

Bidding will start at Tuesday at 12pm and end at 8:45pm!

In 1994, the North Carolina Trucking Association Foundation was established as a charitable and educational foundation to sponsor, establish, foster and promote educational programs and research in the trucking industry, as well as foster and promote scholarship assistance to applicants pursuing a career in the trucking industry. The North Carolina Trucking Association Foundation is a non-profit 501 (c) (3) tax deductible charitable and educational foundation.
